

This is our 7th year hosting the XC series at Creekside Park in the city of Walnut. In 2011, Daniel De La Torre, a Junior of La Salle H.S. set a course record of 10:06. He came back a Senior in 2012, broke his own record and set a new one with a time of 9:56. In 2015, Salvador Capetillo, a Baldwin Pk Senior attempted twice to break it but only matched the 9:56 course record on his second attempt. This year (2017), Kevin Ramos, a Sophomore at Rubidoux has broken the course record and set a new one with a time of 9:42. Great job Kevin!

Claire Graves, a Youth with SoCal Road Runners also set a course record for females in 2011 with a time of 12:43. Emily Hubert, a Junior at Bishop Amat, broke Claire's record in 2013 with a time of 11:57. In 2015, Chloe Arriaga, a Walnut H.S. Frosh. broke Emily's record with a time of 11:47, and in 2016 as a Sophomore Chloe broke her own record and set a new one with a time of 11:44. Our thanks to the dedicated runners, coaches and parents who year after year return to run a challenging course. We wish you all a great season and hope to see you next year. Thank You

-Southern California Road Runners of Walnut
